The grant for the purpose of feeding at Tirupathi Charities was until 1924 Rs.6700/- and it was increased to 8200/- in that year (Vide note on page 5 of the ^{Charities} sectional file No.194 of 1927 placed below). Later on Government directed in G.O. No.334-5 Muz.194-27-2 dated 14-8-28 that the grant for feeding be limited to the original allotment of Rs.6700/- and that the addition of Rs.1500/- allowed in 1924 be saved commencing from the year 1928-29, with a view to find money required for increasing the accomodation in the Chatram buildings at Tirupathi. This has accumulated savings of to Rs.16500/- for the period

SIR,

Construction of a non-Brahmin Choultry
at Tirumati Hills.

B
C
Adverting to your letter No. 1450/Muz. 168-38-4 dated 11-11-38 on the above subject, I have the honor to forward herewith, for sanction of Government, a plan for the non-Brahmin Choultry, received from the Chief Engineer, with his letter No. 1088 dated 16-11-1938, and an estimate for Rs 19,000 as scrutinised by the Assistant Engineer.

On account of the high cost of materials on the Hills, it is now proposed to have only 4 blocks of units, each unit comprising of a room, a kitchen and a bathing-room.

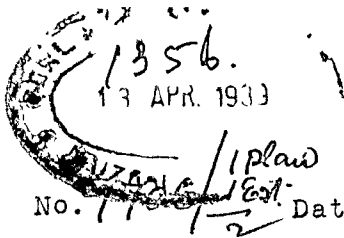

L
A sum of Rs 1,500 is being saved every year by the allotment for feeding, from 1938-39, and set apart for the construction of this Choultry, as per G.O. No. 34-3/Muz. 14-37-2 dated 14-3-1938. The amount thus effected, including that of the current year, amounts to Rs 11,000. But as the estimate is for Rs 19,000, I suggest that the balance, viz., Rs 8,000 be met out of the General Savings of the Tirumati Hill Station to be adjusted from the amounts to be set apart for the construction of the non-Brahmin Choultry, in the next two years.

I request that sanction of Government may kindly be accorded to the estimate for Rs 19,000, the cost being met as suggested above.

I have the honor to be,
Sir,
Your most obedient servant,

S. Abdul Wajid
Muzrai Commissioner.
